Re: Negotiations

Sisters and Brothers:

As you are aware, negotiations with Bell were to recommence on October 22, 2007. There is currently a dispute between the parties as to the appropriate venue to continue negotiations. The Union is in regular discussions with Bell to resolve this difference as soon as possible, so that we can return to the bargaining table.

We will keep you informed of any progress in this regard.

Solidarity continues to be of utmost importance.

In solidarity,

Richard Chaumont, National Representative
Sean Howes, National Representative
